## Telis 1 RTS Hand-Held Remotes

Telis hand-held remotes offer convenient and simple operation of every type of motorized application. Single channel remotes can operate one individual product or one group of motorized products.

### Examples:

- Use the single channel to operate the motorized blinds above your sink.
- Use the single channel to operate the group of motorized roman shades in your dining room, to raise and lower them at the same time.

## Somfy offers finishes to fit every style and preference.

- Pure finish offers a clean white finish...perfect for any style.
- Silver finish is chic, yet simple, for contemporary designs.
- Lounge finish is sleek and sophisticated for the most discerning tastes.
- Patio finish offers a casual element ideal for outside and children's rooms. Also offers water and shock resistance.

## Telis 4 RTS Multi Channel Hand-Held Remotes

Five channel remotes offer more functionality because they offer an additional 4 channels of control. Each channel can still operate one individual product, such as a single motorized awning, or one group of motorized products, such as all the motorized shades on the first floor. With a total of five channels, you can set the preferences that suit your life.

### Examples:

- Use channel one for your motorized awning.
- Use channel two for the motorized drapery in your living room.
- Use channel three for the motorized shades in your dining room.
- Use channel four for the motorized roman shades in the kitchen.
- Use the fifth channel as a master to activate all of your motorized products.
